

All-In-One Port Services for Offshore Projects

From planning to completion, no two offshore projects are ever the same. That's why we combine **global standards with local expertise** to deliver reliable solutions at every stage - stopovers, technical calls, mobilizations, and de-mobilizations. With Wilhelmsen Port Services, you can count on seamless execution and safe operations, wherever your project takes you.

GLOBAL STANDARDS, LOCAL STRENGTH

Combining global standards with a vetted network of local suppliers, we deliver dependable, efficient offshore support at every stage.

GLOBAL HUSBANDRY, PROVEN SCALE

Backed by regional husbandry centers and a proven track record of over 100,000 vessel assistances per year, we deliver trusted offshore husbandry support wherever your operations go.

OFFSHORE SPECIALISTS, ON CALL 24/7

Our offshore specialists are on call 24/7 - ensuring your operations are compliant, on schedule, and seamlessly coordinated at every stage.
