Product information

This product supersedes product no: 778955, 778866

The Navadan Essential Kit consists of the most necessary equipment needed for basic hold cleaning operations.

The kit is supplied ready to use in a clip lock plywood box which can be easily transported inside the deck store or between vessels. The kit has been designed for application of both cleaning chemicals and temporary coatings as well as simple wash down. The Navadan™ Essential Kit is not equipped with a Navadan™ Tornado 3™ gun for wash and clean down, we do recommend a high pressure cleaner in addition. The Tornado 3 is available as an optional accessory.
