HPCE DYNAMIS 350+/SPRAY LANCE WITH KNOB AND QUICK COUPLING

Product group: **436** Product number: **600235**

The HPCE DYNAMIS 350+/Spray Lance is a high-performance double lance designed for marine high-pressure cleaning machines. It features a molded handle for improved grip and control, along with a compact design (980 mm length and 300 mm insulation) for easy maneuvering in tight spaces. The nozzle protector ensures consistent spray performance and protection.

Product information

Features

- Molded handle and compact design (980 mm) for enhanced control and maneuverability.
- Nozzle protector and 300 mm insulation for added durability in marine environments.
