HPCE DYNAMIS 500+/300+/SANDBLASTING KIT

Product group: **436** Product number: **700085**

Maximize the versatility of your HPCE DYNAMIS 500+/300+ machine with the Sandblasting Kit, which allows fast and efficient surface preparation at rates of up to 10 m²/h to SA 2.5 standards. Whether you're tackling rust removal, paint stripping, or metal surface cleaning, this kit ensures thorough results in minimal time.

Product information

Features

- Rust and corrosion removal.
- Surface preparation for painting or coating.
- Marine cleaning and restoration.

Benefits

- **Enhanced Surface Preparation:** Achieve SA 2.5 surface quality swiftly and cover large areas efficiently, depending on the extent of coating damage.
- **Optimal for Paint Maintenance:** A cost-effective solution for quick and effective paint touch-ups and surface preparation.
- **Complete Sandblasting Kit:** Includes a **grit container** designed for use with abrasive media. **Garnet grit** is recommended for best performance and eco-friendly operation.
