

SORBENT PADS U94100 (100PCS)

Product group: **941** Product number: **703167**

The Oil Only Sorbent Pads are specifically designed for maritime applications, offering superior performance in absorbing oil and oily liquids while repelling water. Made from 100% polypropylene, these pads stay afloat even when fully saturated, maintaining their shape and effectiveness during use. With extremely high absorption rates, they ensure quick and efficient spill containment, saving time, costs, and workload. Lightweight and durable, they are the ideal solution for managing oil spills on or near water. This product is a replacement for 603167.
